

Ich sehe doch, was hier läuft: Sie schreiben schon wieder an Ihrer Doktorarbeit.

"Well, I can see what's going on: you're working on your dissertation again.", in: *Süddeutsche Zeitung*, No. 111, May 14, 2011, p. 25

Simone Schardt is an artist and author based in Zurich and Berlin. She works on modes of de-subjectivation in relation to orders of knowledge. In collaboration with Wolf Schmelter, she analyses genealogies of *institutional critique* and *site specificity* within formats such as *Kinoapparat*, an instant cinema on the move that presents artists' films at specific sites.
